BOARD REPORT

To: Board of Trustees

From: Rich Montgomery, Assistant Superintendent, Human Resource Services

Date: April 20, 2022

Board Item: Resignations/Retirements/Employment – Classified Employees

HISTORY

This is a monthly item. The activity list for employment, separation and additional assignments of classified employees is a standing item that is presented during each regularly scheduled Board of Trustees meeting.

BACKGROUND INFORMATION

In accordance with California Education Code §§ 44830(a), 45102, 44930, 45201 and 45190, employment actions or processes that affect an employee's status or pay during their employment must be approved by the Board of Trustees.

Classified activity lists may include a variety of "Temporary Additional Assignments" or TAAs. These are brief assignments in which an employee is to perform a task outside of his or her normal working hours and outside of his or her regular responsibilities. These tasks may include attending a required meeting, working at a school open house, helping at registration, and the like. These TAAs are performed at the normal hourly rate of pay for the work to be done, and are approved for a number of hours not to exceed (NTE) a specified amount. After the assignment is completed, the Payroll Department will receive an employee timesheet, signed by a supervisor, showing the time worked on the TAA. The Payroll Department will determine whether the hours worked were approved and will pay the employee for the hours worked, up to the approved amount. If the employee works fewer than the approved number of hours, s/he is paid only for the number of hours worked. If the assignment cannot be completed within the approved number of hours, a new request must be submitted for the estimated amount of work remaining.

CURRENT CONSIDERATIONS

This agenda item presents for Board consideration the approval of the activity list for classified employees.

FINANCIAL IMPLICATIONS

These positions will be charged to the appropriate fund and are included in the adopted budget.

STAFF RECOMMENDATION

It is recommended the Board of Trustees approve the activity list for classified employees.
