All matters listed under the Consent Calendar are considered by the Board to be routine and will be enacted by the Board in one motion in the form listed below. There will be no discussion of these items prior to the time the Board votes on the motion unless members of the Board, staff, or the public request specific items to be discussed and/or removed from the Consent Calendar. Staff recommend approval of all Consent Calendar items.

A. HUMAN RESOURCE SERVICES

1. RESOLUTION NO. 2223-22, NON-REELECTION OF TEMPORARY CERTIFICATED EMPLOYEES

6

This is an annual item. Approval of the adoption of Resolution No. 2223-22, Non-Reelection of Temporary Certificated Employees. Education Code §§ 44909, 44918 and 44920 permit school districts to hire certificated employees on temporary contracts. The District has appropriately classified 353 certificated employees as temporary for the 2022-2023 school year. These employees are replacing other employees on leave, are serving in programs with expiring categorical funding sources, or are placeholders for regular employees who are released from their normal

assignments to work in a categorical program. Education Code § 44954 requires the Board to notify temporary employees in a position requiring certification qualification of the District's decision to release the employees from such positions prior to the next school year. The temporary release of employees, as presented in this item, is an annual process the District must utilize to ensure permanent teachers funded through categorical resources and permanent teachers on a leave of absence have a position for the succeeding school year. As the District begins staffing for the 2023-2024 school year, decisions will be made regarding how many permanent teachers will be funded through categorical resources as well as how many permanent teachers will request leaves of absence, part-time contracts, and partnership assignments. As permanent teachers "temporarily" vacate their positions, temporary teachers may be rehired.

We are pleased you can be with us at this meeting, and we hope you will return often. Your visit assures us of continuing community interest in our schools.

The members of the Board of Trustees of this District are locally elected state officials, who serve four-year terms of office, and who are responsible for the educational program of our community from grades kindergarten through twelve. They are required to conduct programs of the schools in accordance with the State of California Constitution, the State Education Code, and other laws relating to schools enacted by the Legislature, and policies and procedures which this Board adopts.

The Board is a policy-making body whose actions are guided by the school district's Mission and Goals. Administration of the District is delegated to a professional administrative staff headed by the Superintendent.

The agenda and its extensive background material are studied by each member of the Board for at least two days preceding the meeting. Board Members can call the administrative staff for clarification on any item, and many of the items on the agenda were discussed by the Board during previous meetings. These procedures enable the Board to act more effectively on agenda items than would otherwise be possible.
