ATTACHMENT NO. 9 TO BID FORM

1. The DISTRICT expressly reserves the right to reject the proposal of any Bidder who, upon investigation, has been determined to fail to complete similar Contracts in a timely fashion or in a satisfactory manner. Such rejection would, if applicable, be based upon the principle that the Bidder is "non-responsible" and poses a substantial risk of being unable to supply the material, equipment, or services to complete the work in a cost-effective, professional and timely manner. The Bidder must complete and submit the attached form; failure to do so may be sufficient cause for the DISTRICT to reject the Bidder's bid as non-responsive.

2. In performing the above-described responsibility determination, the DISTRICT reserves the right to utilize all possible sources of information in making its determination, including but not limited to: inquiries to regulatory State boards and agencies; Dun and Bradstreet credit reports, inquiries to companies and public entities for which the Bidder has previously supplied material or performed work, reference checks and examination of all public records.

3. The Bidder must also demonstrate knowledge of school purchasing and business techniques and should possess a working ability and experience in providing similar material to a public agency. The Bidder shall furnish the names, current phone numbers, addresses, points of contact, and scope of work of at least five (5) customers served within the past three (3) years with requirements similar to the needs of the Capistrano Unified School District.
