Notes:

1. We offer installation in Alaska, Hawaii, Guam, Puerto Rico and the Virgin Islands as well. For installation in these areas, add 10% to installation cost shown for the 48 states.
2. For installations outside of San Diego County, CA, the customer is responsible to receive and store playground equipment & materials until the installation team arrives.
3. Site work such as demo, grading, hauling, etc. is not a part of a normal installation and cost is in addition to the installation cost.
4. Fill coming out of footings will be spread on site unless special arrangements are made with us to haul away and dispose.
5. Per CPSC & ASTM standards, playground equipment shall not be installed over a hard surface. It is the owner's responsibility to provide and to maintain a reliable resilient surface underneath and within fall zone of the play structure. Organic resilient surfacing (sand, bark, etc.) has a tendency to compact after a while. It is the owner's responsibility to maintain the resilient surfacing in order to assure full compliance to the CPSC & ASTM standards at all times.
